#### The Piano that Kindles the Fire of Genius

Achievement never comes to those who never try.

If your boy or girl has latent musical talent, there is only one way to discover it—give your child a musical education!

For the joy of music, piano study may be commenced at any age. But if you would some day be proud of an accomplished son or daughter, the earlier ruttion begins the better.

Then if your child does possess the great gift, achievement is made possible. So that genius may not be jeopardized, let yours be "The Plano With a Soul."

Thereby the ear will be trained to purity of tone—an outstanding quality of every Muson & Risch Plano.

Children, too, have rightsthe right to shelter, to sustenance, to education, to affection and the right to Music!

Mason & Risch Pianos are made in many styles and sizes
—one for every home and one for every income.

#### Takes Pride in Its Equipment

McNeill's takes pride in the condition in which every one of its cabs is maintained.

Every day each cab is cleaned inside and out. McNeill's YELLOW CABS are kept clean by liberal use of soap, water and "elbow grease."

Every day each YELLOW CAB is inspected to make sure it is up to our high standard in every particular. That means that each cab must be right mechanically, as well as clean and sanitary.

You seldom see a McNeill's YELLOW CAB break down on the streets. And have you noticed how seldom any part of the cab's equipment is missing or in poor condi-tion?

When you call a McNeill's YELLOW CAB you know in advance that it will be clean, safe and equal to any task it will be called noon to perform. You know that it is maintained as efficiently as if it were your own private car.

McNeill's YELLOW CAB was the first to give this kind of service in Edmonton. For years McNeill's YELLOW CABS have been the leader in Cleanliness, Courtesy and Safety.

McNeill's YELLOW CABS pledges itself to keep up this high standard and to merit a continuance of your patronage.

## -for All the family The Beautiful Essex Sedan

The astounding sales welcome to this beautiful new four-door Sedan is continued in sustained country-wide demand.

On the smooth and nimble Essex chassis, it meets the requirement for a fine beautifully appointed car with performance distinction and price attraction.

With new colors, new upholstery and new appointments, it offers individuality

cal and reliable transportation. And the promise of its beauty is borne out in the unusual personal comfort and service-ability this model affords.

It seats five amply. No car, regardless of cost, rides easier. It is economical of gasoline, oil and tires. It has fine car qualities that assure long, economical service.

And—for this finest and most beautiful Essex ever built—you pay little more than the cost of any four, less than some fours and way below any other 6-cylinder Sedan.
